**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a personal consumer and small business owner and I very happy with LMI, my local ISP and telephone provider in Berkeley, CA. They are helpful and understandable. I do not want them edged out by some large impersonal company. My business is very small and without competition among service providers I fear I won't be able to afford the service I need.
